

## Super Chill Chalk Paint Popsicles

This super simple chalk paint recipe is a fun way to experiment with color mixing (with a dash of science), and stay cool in the summer. Use your chalk paint to write inspiring messages and brighten up your neighborhood!

### MATERIALS

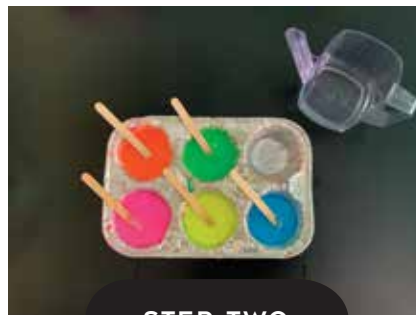

- Popsicle mold, muffin tin, ice cube tray
- Cornstarch
- Washable paint or food coloring
- Baking Soda
- Popsicle sticks or toothpicks
- Vinegar (optional)

### STEP ONE

#### Mix your paint

- Mix equal parts of baking soda and cornstarch in a bowl.
- Add a few drops of food coloring or a dollop of color, either paint or food coloring, to each section.

### STEP TWO

#### Freeze your paint

- Carefully add water and mix the ingredients using popsicle sticks or toothpicks.
- Leave the tray in the freezer for at least four hours.

### STEP THREE

#### Chill and draw!

- For extra fun, put vinegar in a spray bottle and watch your icy chalk colors fizz and blend!
